 Missed Gates/Intentional Contact
 No Missed Gates/Intentional Contact

Gate No(s): _____

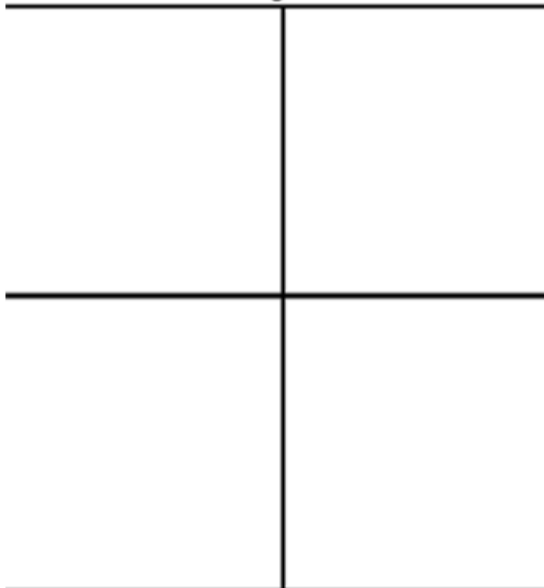

Name: _____

Signature: _____

INSTRUCTIONS FOR THE GATE JUDGES

- Upon arriving at your assigned gate(s) remove your skis/board and place on the snow parallel to course fencing and away from any spill zone.
- Stand where you can best see all your gates while maintaining a position of maximum safety. You may be assisted in this task by your Chief of Competition, Chief of GJ or the Technical Delegate.
- Fill out the front of the card and then immediately draw a picture of your assigned gates in each of the four boxes. Draw the ⊗ symbol to indicate your position. Mark all blue gates with a diamond ◆ symbol and all green gates with a circle ○ symbol.
- Mark only faults (missed gates and intentional contact) and note the racer's number (or bib colour for heats) in the box.
 - Draw a detailed diagram of the fault committed on the pre-drawn gate picture.
 - Be prepared to explain all faults.
 - Do not discuss the incident except with the Chief GJ or Jury. GJ decisions must be clear and unbiased. Declare an incident only when convinced that one has been committed.
- If a competitor leaves the course and returns to the course without missing the gate, the GJ shall inform the Chief GJ by radio that the competitor has returned to the course.
- Record on the card the circumstances of any interference with a racer's run.
- If necessary, replace any gate poles to the exact spot marked in the snow with dye, replace gate flags and maintain course conditions until assistance from the Race Crew arrives.
- Remain in place until notified by the Chief GJ. Please remit your card to the Chief GJ after completion of the competition.
