## 5. CARDING CRITERIA

The Athlete Assistance Program qualification criteria are as follows:

### **International Senior Criteria (SR1/SR2)**

Athletes must meet the following criteria to be eligible for SR1/SR2 cards:

- Finish in the top 8 and in top ½ of the field in an Olympic event at the Åre 2019 FIS Alpine World Ski Championships. A maximum of 3 entries per nation will count toward this result.
- In the Alpine Team Event, the athlete must compete in the event to be eligible for nomination\*

\*Per Sport Canada Athlete Assistance Program Policies and Procedures 5.2: In individual sports with team type or relay events, athletes who compete in the event will be awarded a Senior International Card (SR1/SR2) based on the result of the team/relay in the final.

For the purpose of creating a priority listing of candidates, athletes meeting this criteria will be ranked in order of their best result at the Åre 2019 FIS Alpine World Ski Championships.

Athletes who meet the international criteria are eligible to be nominated for two consecutive years; the card for the first year is referred to as an SR1 card, while the second-year card is known as an SR2. The second year of carding is contingent on the athlete being re-nominated by ACA and maintaining a training and competitive program approved by ACA.

### **Senior National Carding Criteria (SR/C1)**

The criteria for Senior national cards has been designed to identify athletes with the potential to achieve the international criteria. Athletes nominated for Senior cards for the first time are awarded C1 cards.

For the purpose of creating a priority listing, athlete rankings will be used from the WCSL, based on best ranking. If equal on the WCSL, an athletes best ranking will then be used from the 1<sup>st</sup> FIS List.

Athletes need to achieve annual performance benchmarks to maintain their eligibility for Senior National carding. The requirements are outlined in the table below.

**Women:**

<b>Year 4 and 5</b>	1 Discipline: Top 70 WR, or 2 Disciplines: Average 95 WR or less
<b>Year 3</b>	1 Discipline: Top 85 WR, or 2 Disciplines: Average 120 WR or less
<b>Year 2</b>	1 Discipline: Top 105 WR, or 2 Disciplines: Average 145 WR or less
<b>Year 1 (C1)</b>	1 Discipline: Top 130 WR, or 2 Disciplines: Average 170 WR or less

**Men:**

<b>Year 5</b>	1 Discipline: Top 70 WR, or 2 Disciplines: Average 100 WR or less.
<b>Year 4</b>	1 Discipline: Top 90 WR, or 2 Disciplines: Average 120 WR or less,
<b>Year 3</b>	1 Discipline: Top 125 WR, or 2 Disciplines: Average 155 WR or less,
<b>Year 2</b>	1 Discipline: Top 155 WR, or 2 Disciplines: Average 190 WR or less
<b>Year 1 (C1)</b>	1 Discipline: Top 190 WR, or 2 Disciplines: Average 220 WR or less

Athletes that have started the Senior levels progression and are carded at the D level or at the injury, will need to meet the progression missed to be eligible for carding the next year.

Example: athlete carded C1 in 17-18 and D in 18-19 will need to meet SR criteria Year 2 to be eligible for carding support in 19-20.

**Maximum number of years at Senior National Card Level**

Normally, the maximum number of years an athlete may remain at the Senior National Card (SR/C1) status is five (5). Years carded at the SR injury, SR1, SR2 and when the athletes were still FIS junior age will not count toward this maximum.

In order to be nominated for carding for 6 or more years the athlete must demonstrate improvement toward International Senior Card status (SR1 and SR2) and be recommended by ACA. Proof of progression will be determined by the Alpine, Athletic Director with input from the CAST Alpine Staff, taking into consideration the athlete's on-snow results, fitness testing and evaluation of the athlete's commitment to reaching International Senior Card status.

**Development Carding Criteria (D)**

Development cards are intended to support the developmental needs of younger athletes who clearly demonstrate the potential to achieve the Senior Card International Criteria but are not yet able to meet the Senior Card criteria.

Normally, an athlete previously carded at the Senior Card level (C1, SR, SR1, SR2) for more than two years cannot be nominated for a Development Card, except for an athlete carded as a Senior Card while still eligible to compete at the Junior international age level.

Development Team athletes will be ranked according to the final nominations presented to the TSAC used for Development Team Selection in accordance with the 2019-20 CADT Nomination Guidelines.

For the purpose of creating a priority listing, athlete rankings will be used from the NAC Cup standings, based on best ranking. If equal on the NAC Cup Standings, an athlete's best ranking will then be used from the 1<sup>st</sup> FIS List.

The carding criteria starts with the first year an athlete becomes carded at the D level.

#### **Maximum number of years at Development level**

Normally, the maximum number of years an athlete may remain at the Development Card (D) status is four (4). Years carded at the D injury will not count toward this maximum. In order to be carded for more years (5) the athlete must demonstrate improvement toward Senior Card status and be recommended by ACA. Proof of progression will be determined by the Alpine, Athletic Director with input from the CAST Alpine Staff, taking into consideration the athlete's on-snow results, fitness testing and evaluation of the athlete's commitment to reaching International Senior Card status.

- 6.3 When an athlete is carded on an injury provision in any given year, that year is not counted as a year for AAP qualification criteria toward the national senior card priority 2 criteria or development criteria. An athlete who receives injury status in year two (2) of the carding will be eligible for carding under the national senior card priority 2 criteria in year three based on year two criteria.
