- (g) five top 30 results in any World Cup competition (excluding Team Event, AC and Parallel), during **Qualifying Period 2** (2.18).

7.2 The CAST Alpine Staff may, at their sole discretion, nominate an athlete under “Injury Status” if one or more unused quota spots is still available after all athletes are ranked per 7.1, the CAST Alpine Staff may consider Athletes under Injury Status for the following circumstances/situations:

- I. Eligible athletes would have to meet and be ranked per 7.1 as it applies to WC results during the athletes last competition season prior to injury date.
- II. Athletes who have either missed 6 or more WC starts in their strongest discipline of the 2020-21 season or lost the full WC 2020-21 competition season (or more), or, who were injured during Qualifying Period 2 which resulted in them missing multiple WC starts in any one discipline, but are able to return to competition prior to the end of Qualifying Period 2, are eligible for injury status nomination.
- III. In addition, current WC results from **Qualifying Period 2** (2.18) should warrant the use of injury discretion and this justification is required for all injury discretion nominations.
- IV. Injury Status is used at the sole discretion of the CAST Alpine Staff and the final decision to nominate an athlete under injury discretion would be made by the High Performance Director, Alpine. All Injury Status nominations will be documented by the CAST Alpine Staff in detail.

7.3 An Injury Status athlete may only compete if the CAST Alpine Staff, in consultation with the CAST Medical Staff, has determined the Injury Status athlete, after January 19, 2022 and prior to the last date under the IOC/BOCOC Late Athlete Replacement Policy, has

completed a prescribed rehabilitation program and is fit to race. Nomination based on Injury Status shall be communicated in writing within 24 hours of Team Nomination Meeting to be effective.

8.0 CATEGORY II “CII” Qualification

- 8.1 The Potential Future Medalist Category (**Category II**) applies to male or female athletes born 1997 or later that do not meet Category I Performance Criteria, have yet to be nominated for the Games, and who achieve the following performance criteria established by the CAST Alpine Staff to identify potential medalists for the 2026 Milan Winter Olympics:
- i) three top 30 results in any World Cup (excluding Team Event, AC and Parallel), during the **Qualifying Period 2** (2.18); or,
 - ii) two top 15 results in any World Cup in Alpine-Combined (excluding Team Event), during the **Qualifying Period 2** (2.18); or
 - iii) two top 10 results in any Parallel World Cup (excluding Team Event), during the **Qualifying Period 2** (2.18).

9.0 CATEGORY III “CIII” Qualification

- 9.1 Additional Quota Use Category (**Category III**) is only used if after Category I and II there are still quota places available. This is for athletes that do not meet the performance criteria of Category I or the age requirements of Category II and have achieved three top 20 World Cup results (excluding Alpine Combined, Parallel and Team Event) during Qualifying Period 2 (2.18).

10.0 CATEGORY IV “CIV” Qualification

- 10.1 Team Event Category (**Category IV**): Based on which athletes have already qualified, CAST Alpine Staff may, at their sole discretion, nominate up to two (2) additional athletes, male or female, specifically for the Alpine Team Event. Objective of this category is to field the best athletes for the Alpine Team Event.
- 10.2 CAST Alpine Staff shall nominate Category IV athletes based on factors deemed relevant to meet the Objective of this Policy. These factors may include: World Rank, World Cup performance, Continental Cup performance, and/or specific performance in Parallel competitions. The CAST Alpine Staff shall be free to weigh these objective markers as they wish to meet the Objectives of this Policy. All Category IV nominations will be documented by the CAST Alpine Staff in detail.

11.0 REMOVAL OF ATHLETES

11.1 The High Performance Director, Alpine may, at any time, as the Decision Making Authority, disqualify an athlete from being considered for nomination to the Team based on current or past behavior of the athlete which is inconsistent with ACA's Code of Conduct. A copy of the Code of Conduct is available in the ACA Athlete Agreement.

11.2 An athlete will be removed from consideration if they are in violation of any anti-doping policy or procedure as outlined by ACA, International Ski Federation (FIS), World Anti-Doping Agency (WADA), and the Canadian Centre for Ethics in Sport (CCES).

12.0 REPLACEMENT ATHLETES

12.1 If any athlete selected by the COC is not "fit to race" prior to competition, a replacement athlete may be provisionally nominated to the Team, who has met minimum performance criteria, from other athletes meeting minimum performance criteria, in the sole discretion of the High Performance Director, Alpine by January 19, 2022. Substitutions after nomination to the COC (January 19, 2022) are subject to the approval of the COC Team Selection Committee. Any such replacements after January 24, 2022 are also subject to the IOC Late Athlete Replacement Policy.

13.0 UNFORESEEN CIRCUMSTANCES AND REVISIONS

13.1 In situations where unforeseen circumstances do not allow the Nomination Process to be applied in the manner set out in this policy, the High Performance Director, Alpine reserves the right to determine an appropriate course of action. In the event ACA does not have a High Performance Director, Alpine, this right transfers to the ACA High Performance Committee.

13.2 The High Performance Director, Alpine may exercise the discretion to revise this agreement prior to the end of the Qualifying Period as may be reasonable to avoid disputes over the interpretation of the Nomination Process. ACA shall inform CAST athletes and COC in writing of any such revisions forthwith. This clause shall not be used to justify changes after a competition or trials which formed part of the Nomination Process unless it is related to an unforeseen circumstance. This is to allow for changes to this document that may become necessary due to a typographical error or a lack of clarity in a definition or wording.

14.0 COVID-19

14.1 ACA is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact nominations of athletes for the Games. Unless otherwise

required by exceptional and unforeseen circumstances related to the impact of the coronavirus, ACA will respect the published Internal Nomination Procedures as written.

- 14.2 Situations related to the coronavirus pandemic may arise that require the Internal Nomination Procedures to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the nomination. In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.
- 14.3 Further, situations may arise that do not allow the Internal Nomination Procedures to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority, as stated in this Internal Nomination Procedure, in consultation with the relevant individual(s) or committee(s) (as applicable), and in accordance with the stated performance Objective as stated herein.

15.0 TEAM NOMINATION MEETING

- 15.1 The CAST Alpine Staff shall conduct the Team Nomination Meeting, on January 18, 2022 by teleconference or in person, immediately following the last World Cup competition on January 18, 2022 to identify the nomination list. The sole record of the Team Nomination Meeting shall be the meeting minutes which shall refer to the Category-specific criteria for each athlete considered, any applicable comments and the final nomination, and attach the results of the athletes considered over Qualifying Period 1 or 2 as well as the supporting data and documents for any nomination in Category I-Injury and Category IV.
- 15.2 When the CAST Alpine Staff has reached a consensus relative to the final nomination of athletes, nominations will be forwarded to the ACA President and CEO for final review.
- 15.3 Immediately following final approval from ACA President and CEO, the High Performance Director, Alpine shall notify by phone or e-mail those athletes that were eligible for nomination, whether or not those athletes were nominated.
- 15.4 Subject to any revisions required by an athlete's decision to decline a nomination or appeal, the final team nomination will be forwarded to the COC Team Selection Committee no later than January 19, 2022 at 11:59pm EST.
- 15.5 The Team nomination list will be updated in conjunction with the FIS Olympic Winter Games Alpine quota reallocation timelines.
- 15.6 The list shall be used to nominate the 'Team' as the Alpine Olympic Winter Games quota re-allocations from the FIS become clear and final.

16.0 Appeals

16.1 Any dispute relating to the Nomination Process I for the Games must be brought directly to the SDRCC on the consent of all parties and in the discretion of the SDRCC.

16.2 An Athlete who wishes to appeal the internal nominations shall, within 12 hours commencing from the time of nomination notification from the High Performance Director, Alpine, file an appeal with the SDRCC.

16.3 Appeals will not be accepted past this time frame.

16.4 A decision must be reached no later than January 19, 2022 at 11:59pm EST.
