7.0 QUOTA

- The FIS determines the maximum number of athletes that may compete at the 2025 FIS Freestyle Junior World Ski Championships for each country participating.
- A maximum of four (4) ski cross athletes per gender, per event may be entered.
- CSCT is not required to fill the quota in any one discipline and reserves the right to select fewer athletes for a discipline than the FIS Quota may allow.

8.0 ATHLETE SELECTION PROCEDURES

Eligible freestyle ski athletes will be selected to compete in the 2025 FIS Freestyle Junior World Ski Championships by the following process:

8.1 Eligible ski cross athletes will be ranked separately per gender based on a single list:

8.2 Only placings in the Top 2/3rd of the field (excluding DNS competitors) rounded down to the nearest whole number (excluding DNS competitors) are included in the rankings.

8.3 Tiering – All eligible male and female Ski Cross, will be grouped into Tiers according to the criteria indicated in the table in Section 8.5 below. Tier 1 athletes will be nominated first, followed by Tier 2 athletes, then Tier 3 athletes, then Tier 4 athletes, and so on.

8.4 Rankings

- The chart in Section 8.5 details the results required for inclusion in each of the tiers.
- All tiers will be calculated according to the sum of the athlete's counting placings achieved during the Team Qualification Period, as described in the table in Section 8.5. For example, an athlete who places 1st, 2nd and 10th in his/her counting placings will have a sum of 13 points (within that Tier).
- The athlete with the lowest sum will be ranked 1st within that Tier and so forth.

8.5 Tier Definitions:

The following 5 Tiers will be used to rank athletes for nomination. To be considered for tiering, results must be within the Top 2/3rd within the field sizes (rounded down):
