- ❖ Attend all races, camps and training sessions
- ❖ Independently run the team when the head coach is away at other races
- ❖ Assist with videoing and video review at all races and training sessions
- ❖ Provide feedback to athletes at races and training
- ❖ Assist athletes with ski preparation at races
- ❖ Assist with setting up, tearing down, training and racing environments
- ❖ Drive athletes in the team van to training and race venues
- ❖ Assist with organization and maintenance of training equipment
- ❖ Assist with meal planning and prepping with athletes for away trips
- ❖ Adhere to the rules and responsibilities of the Evolve program
- ❖ Contribute to building and maintaining a positive productive team environment

Requirements:

- ❖ Experience in coaching alpine disciplines, with a strong understanding of technical skiing
- ❖ CSCF Development level 2
- ❖ Completion of Ski Cross online and On-Snow Module
- ❖ Confident in radio communication and athlete feedback
- ❖ Overall understanding of terrain, jumps, rollers, etc
- ❖ Willing to travel on a regular basis and confident in driving a team van and trailer on winter roads
- ❖ Confident in videoing and video review
- ❖ Confident to independently run the team when the head coach is not in attendance
