

Assistant Ski Service Technician - Canada Ski Cross

JOB PURPOSE

Canada Ski Cross (CSX) is looking for a Ski Service Technician to assist our world-leading ski service team with everyday activities as it relates to ski prep, day-of ski service and research & innovation projects.

TYPE: Full Time – Seasonal Contract

REPORTS TO: Ski Service Lead & CSX High Performance Director

LOCATION: Negotiable

This position requires the individual to be available to work for extended periods, nights & weekends and to travel both domestically and internationally when required.

ABOUT ALPINE CANADA ALPIN

ACA is home to three of the Canada's fastest and most exciting snow sports: alpine skiing, para-alpine skiing and ski-cross. Our focus is not only to produce world-class athletes, but also to encourage participation in skiing at all levels and promote the benefits that result from participating in sport.

CORE RESPONSIBILITIES :

- On-site ski service (camp & competition)
 - Equipment prep
 - Day-of ski service
 - Athlete interaction
 - Athlete Support – must show ability to build trust & confidence in athlete regarding ski service ability
 - Athlete Education & Training
- Assistance to Ski Service Lead with research & innovation projects
 - Relationship building with ski equipment companies
 - Tracking, sorting & analysis of data
- Additional off-snow duties as requested by Ski Service Lead
- Various on-hill duties as requested by Ski Service Lead or Head Coach – World Cup Team

CANDIDATE PROFILE

- Previous experience with ski tuning / ski service
 - Experience working in a ski-team environment will be considered an asset, but retail ski service experience will also be acknowledged

- A keen interest in ski-service as a career path
- A keen interest in learning from world-leading ski technicians
- Ability to work on-hill (relatively high skill on skis or snowboard)
- Ability to learn new skills quickly
- Ability to work with limited supervision
- Ability to travel with limited notification & be away for multiple weeks at a time
- Team player
- Excellent communication and interpersonal skills
- Background & knowledge in ski racing is an asset
- Ability to do physical work for multiple days in a row

HOW TO APPLY

Please send your cover letter and resume to skicross@alpinecanada.org – ATTN: Lauren Kucera

We thank all applicants in advance for their interest; however only those selected for an interview will be contacted.
